

## Agenda Item Five

### Setting of Fees for 2024/25

The Treasurer recommends that membership fees for the 2024/25 fiscal period remain at their current levels, which are as follows:

Category	Current Rate
Student	\$22
Individual	\$35
Family	\$45
Association/School	\$85
Corporate	\$155

An increase was approved at the 2022 AGM, and took effect for the 2023/24 fiscal period, so there does not appear to be a need to increase them again this year.

Accordingly, the following Motion is put:

***That the fees recommended by the Treasurer be approved for the Society's 2024/25 fiscal period.***
